AMICI

1

Our strong band can ne'er be broken,
Formed in Union High,
Far surpassing wealth unspoken,
Sealed by friendship's tie.

2

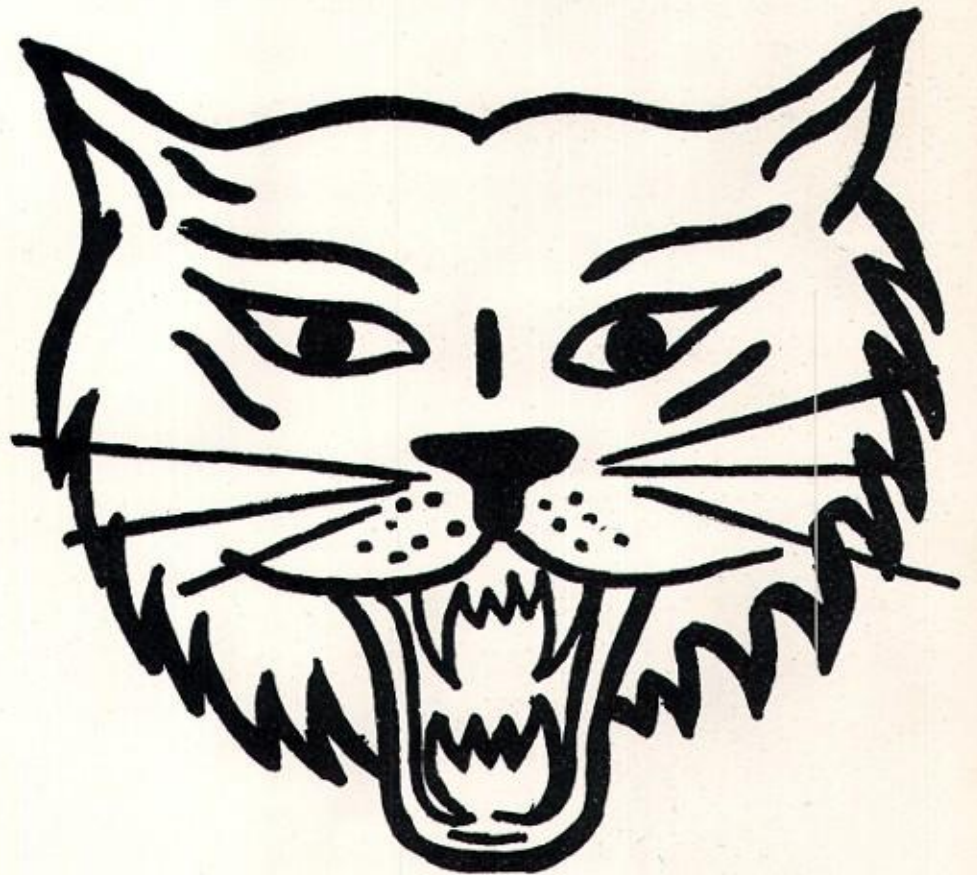

Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back, o'er life's broad track,
To pleasure's long gone by.

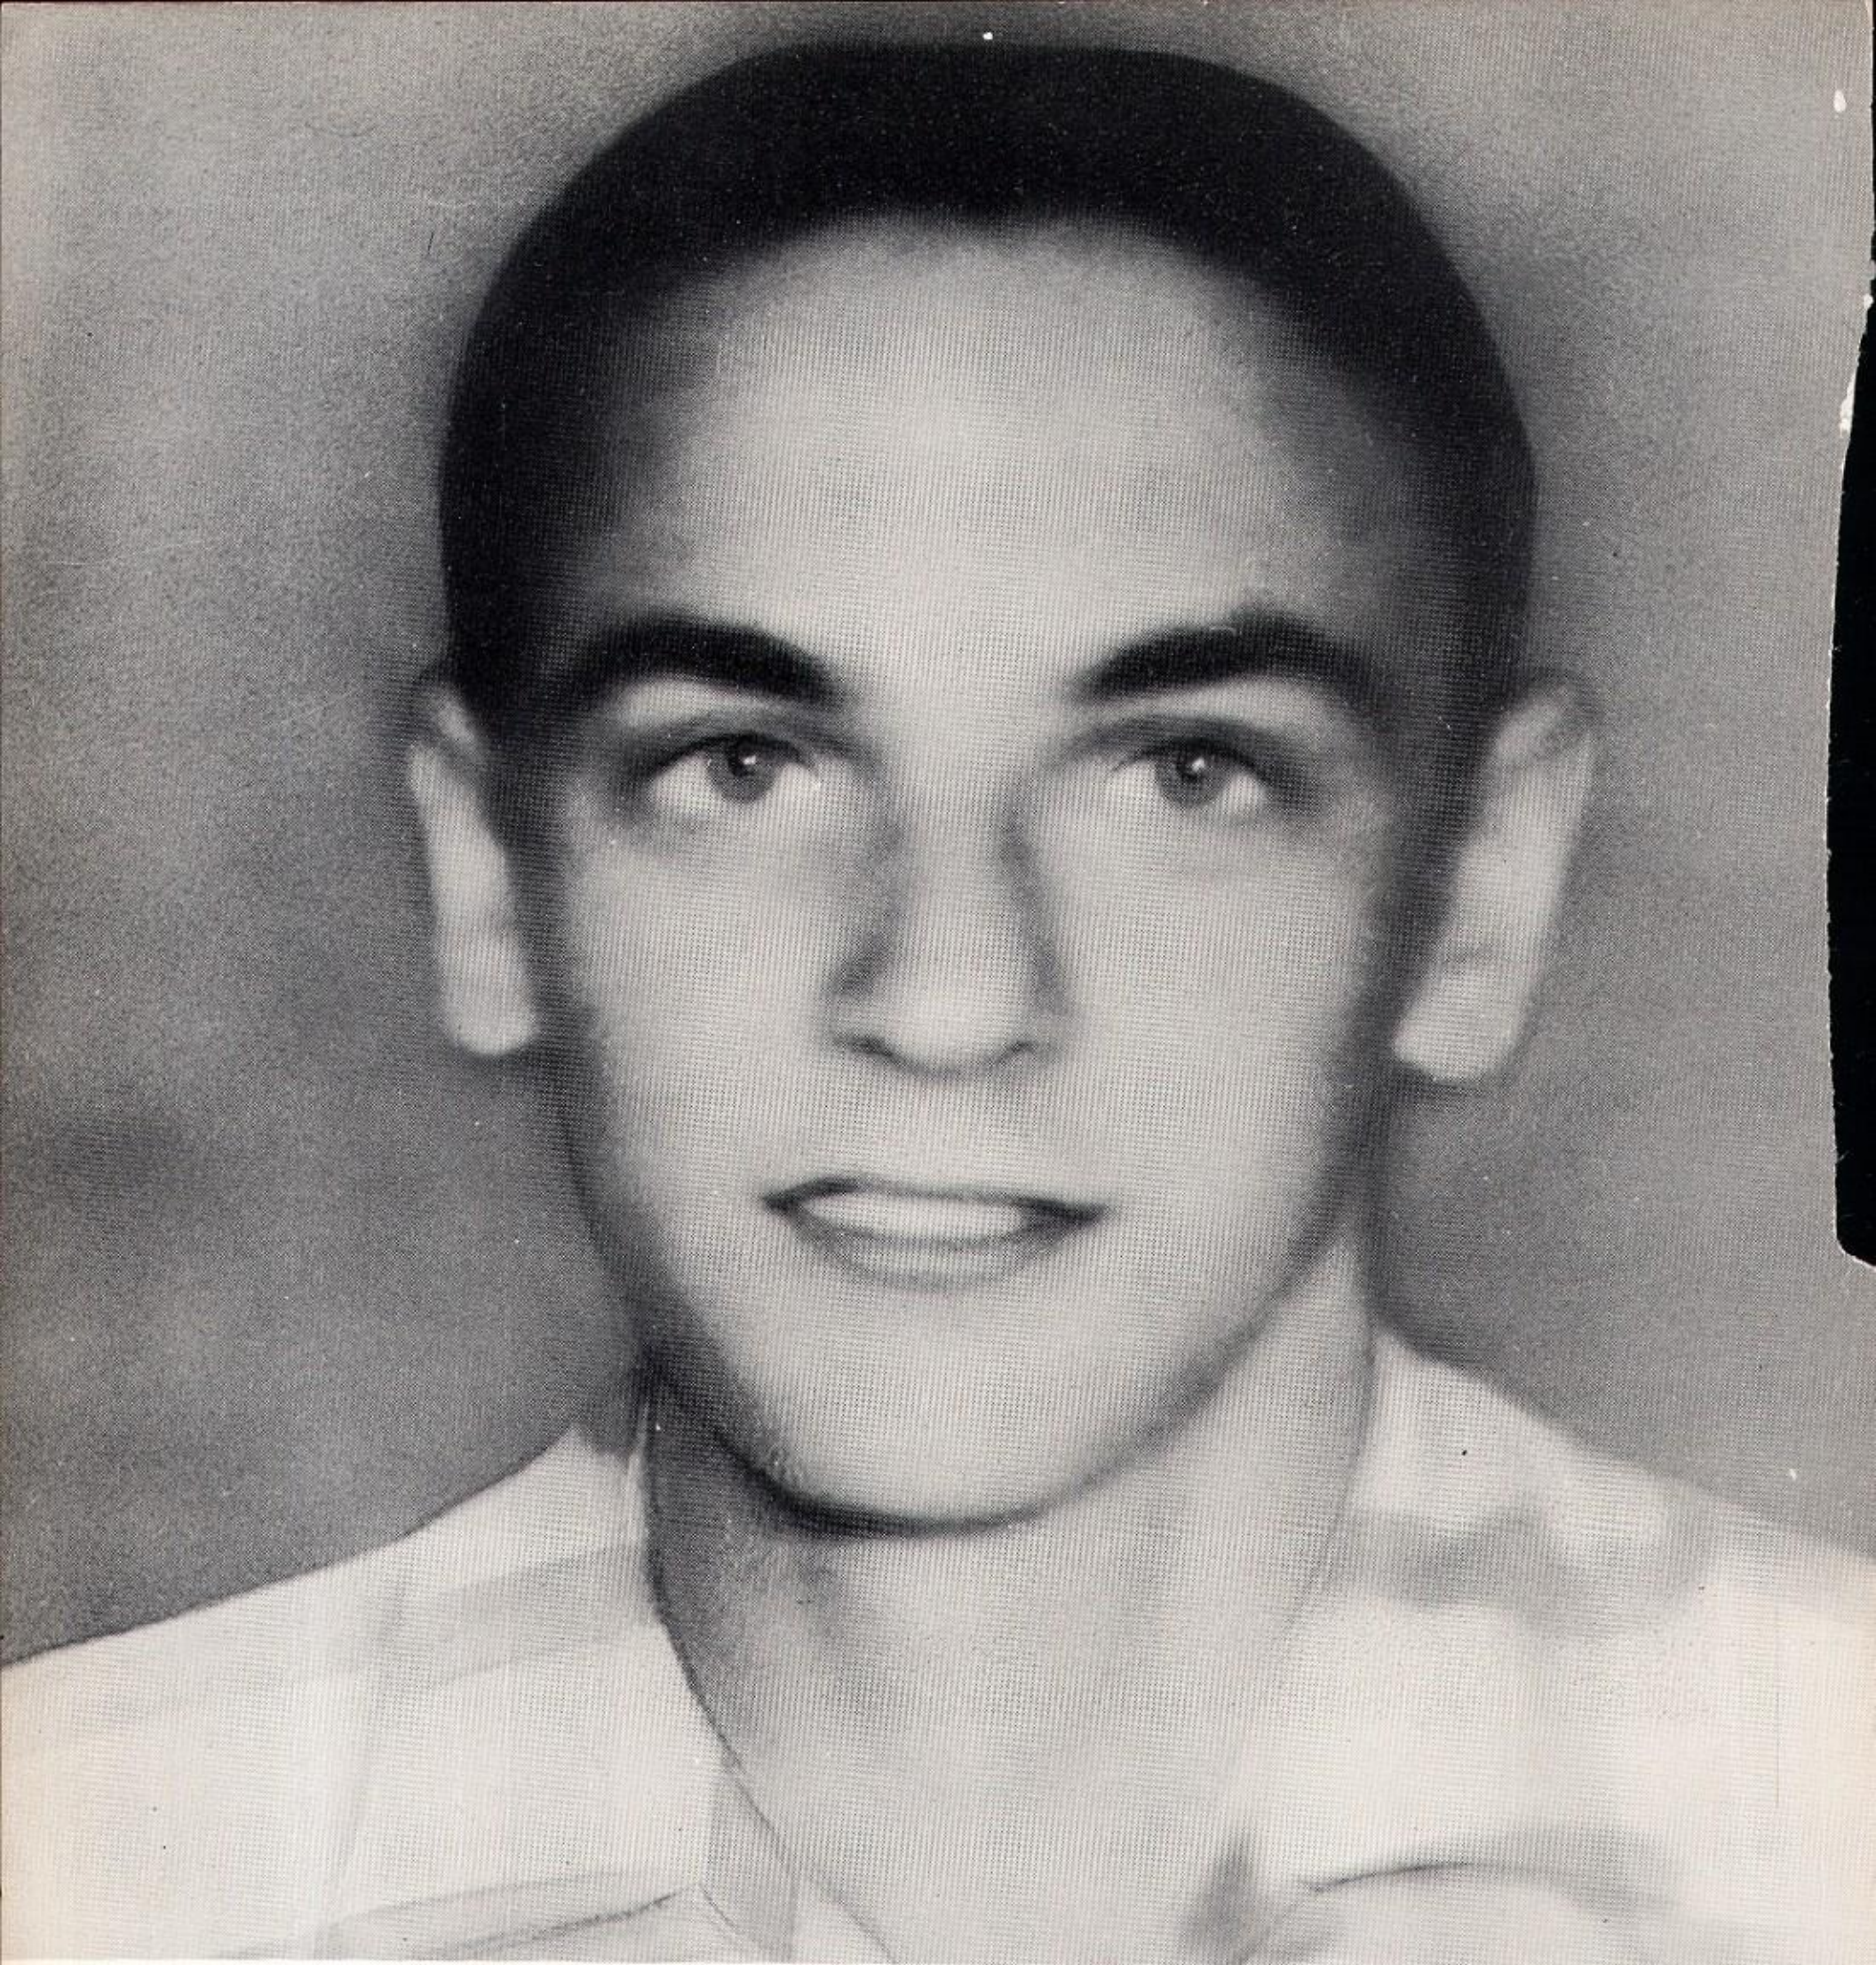

3

High School life at best is passing
Gliding swiftly by,
Then let us pledge in word and deed,
Our love for Union High.

Chorus

Amici usque ad oras,
Deep graven on each heart,
Shall be found unwavering true
When we from life shall part.

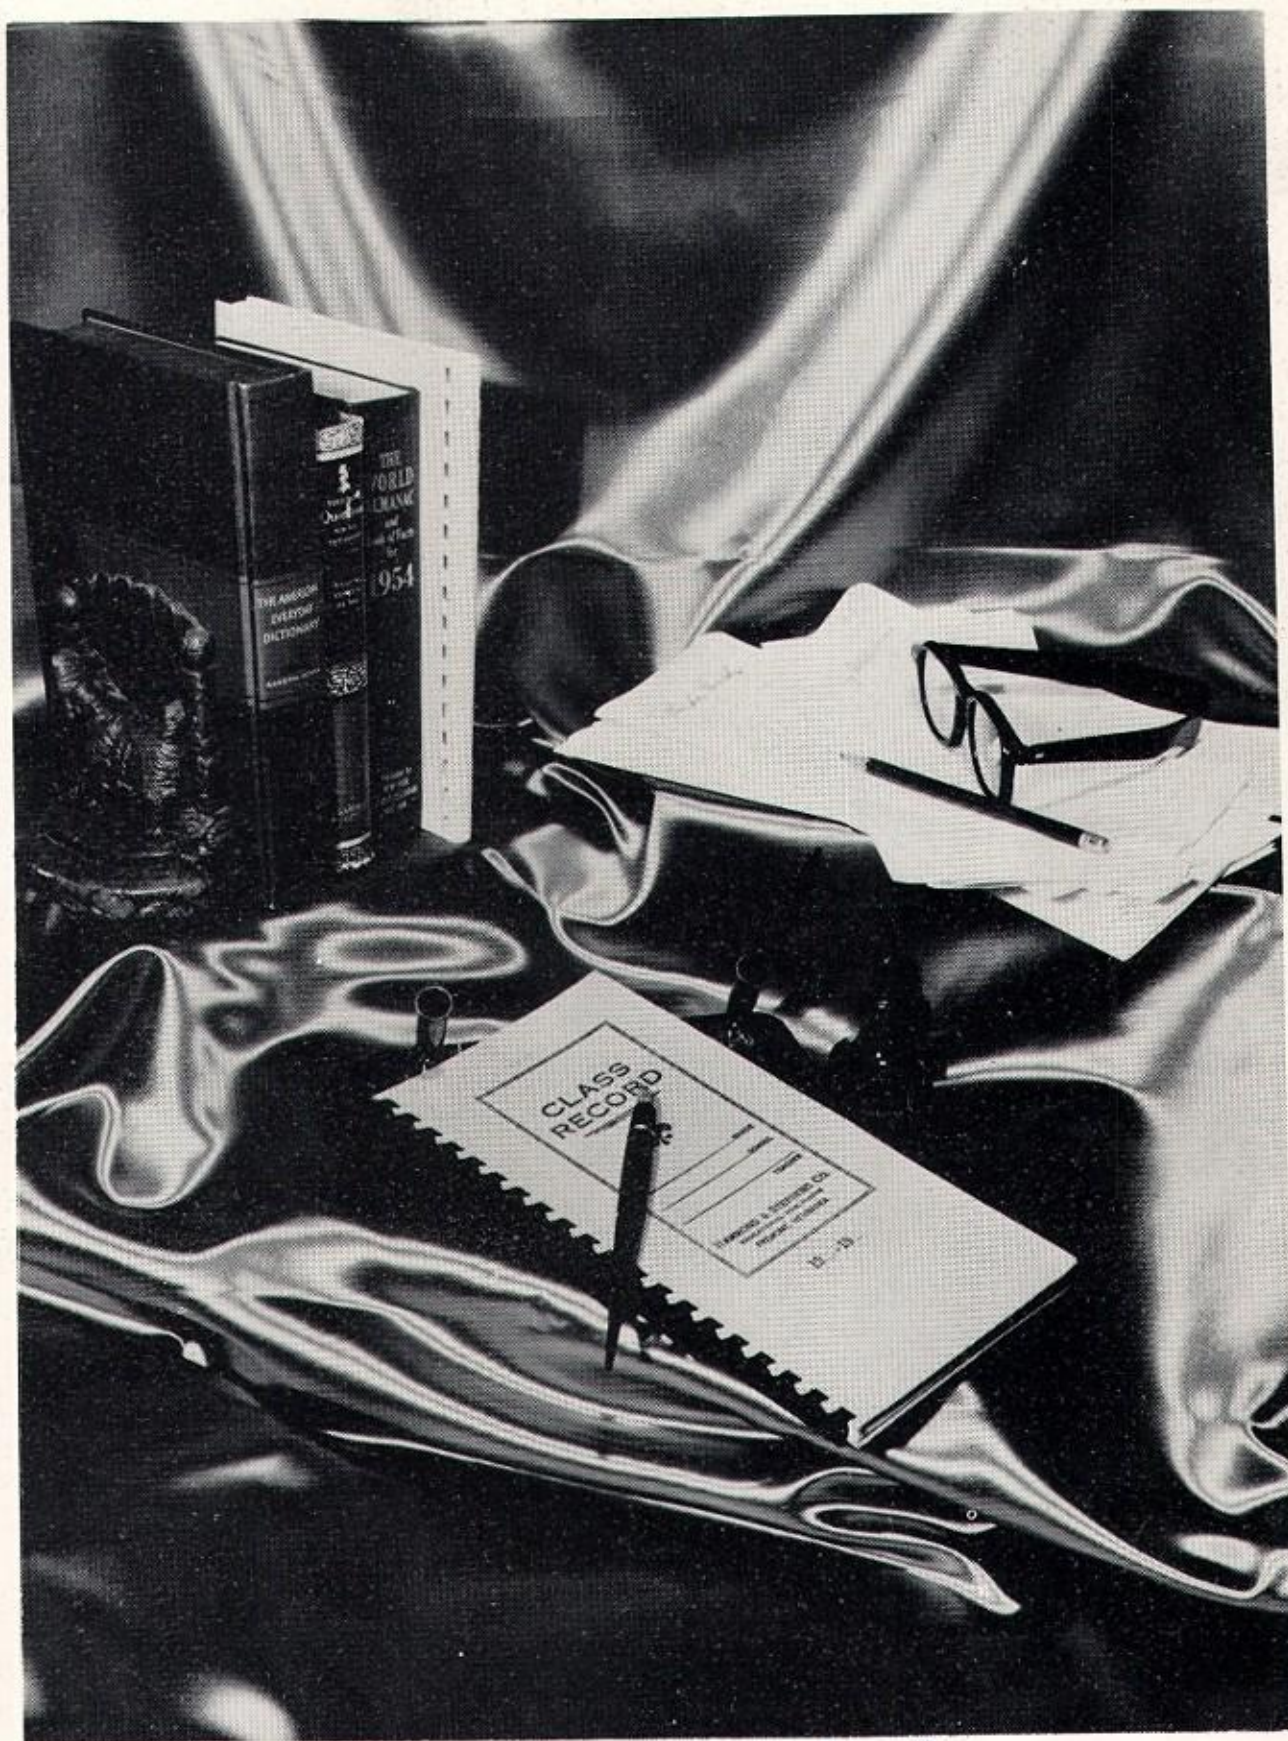

Dedication

We, the students and faculty of Union High School, dedicate the 1964 American in memory of Raymond Schulte who departed from our presence on July 21, 1963. He was the son of Mr. & Mrs. Joe G. Schulte Jr.

He will long be remembered by all who knew him.

Bob:
 I want to wish
 you the best of luck
 at the new high school
 you'll be attending. We
 will miss you around here and
 especially in the student council.
 We had a pretty good time.
 Sincerely,
 Larry B. Culp

FACULTY

W. L. CURTRIGHT, Superintendent Of Union Public Schools

The public school is developed and improved to answer the needs of the community in which it is located. It is always the hope of the administration of any school to have the students in that school feel they are ac-

complishing what they set out to do as freshmen. If the high school can prepare the students sent to it for a productive place in our society, as superintendent I feel we as administrators and instructors have accomplished our goal.

School Board

The Board of Education of all school districts are created by the laws of the State of Missouri and are charged with all administrative duties and responsibilities. Your Board of Education is charged with the handling of all school funds derived from taxation and with this duty, must

among other things supply adequate school buildings and facilities. This responsibility runs concurrent with all other administrative details for staffing the system with adequate teachers and equipment.

Mrs. Maxine Jones has been in the Union School system for three and a half years. She is the secretary to Mr. Curtright and the Board.

HOWARD E. HEIDBRINK, High School Principal; Central Missouri State College, Warrensburg, Missouri, University of Columbia, Missouri, B.S. in Education, Master in Education.

I would like to take this opportunity to express my appreciation to all of my fellow workers and also to the student body of Union High School for their fine cooperation during the past school year. Union High School has become a part of me and I consider it a privilege to be able to work and "root" for good old Union High School. I wish to take my "hat off" to the Amican Staff for the fine job they have done and personally say "Congratulations."

I would like to issue a challenge to all who are working at Union High School to continue to raise the standards and ideals of our school and always strive to make it the top student body anywhere.

May we look to the future with enthusiasm and pride, and endeavor to fulfill all the high standards which are expected from our school. May we strive to make each day in our school the best, and never improve one part of the school at the expense of another. We must always work diligently to make every department the best.

DOROTHY VELANDER, Secretary to High School Principal, and Counselors.

EUGENE GLASER, Principal Of The Grade School

We are indeed proud of the fine educational opportunities offered at both the Elementary and High School level at Union. It is the responsibility of each and every student to make the most of these opportunities which are offered. Today, a good education is not just important; it is essential to the development of a good citizen. May we all strive toward the goal of the best possible education for everyone.

Luella Hoemeyer, Secretary to Mr. Glaser. This marks Mrs. Hoemeyer's first year at the Union Grade School.

JAMES EDWARD ASHMORE, High School Counselor, University of Mississippi, B.A. Master in Education.

Mr. Ashmore, who has served efficiently as counselor for years, and whose personal interest in each student and deep respect for the school, warrants our sincere appreciation.

GRAHAM WILLIAMS, Physical Education, Counselor, Southeast Missouri State, B.S. in Education.

Mr. Williams has been a coach at Union High School for the past three years. This year besides having the responsibility of being a coach, Mr. Williams is serving as a counselor for the Junior High. His help and sincerity is very highly appreciated.

*Dad: Best of luck in the future.
You have been a big help to
me and to your school.

Beta Club

The National Beta Club is a non-secret leadership service organization for high school students. Its constitution states: the purpose of this organization shall be promotion of the ideals of honesty, service, and leadership among high school students of America, to reward meritorious achievement, and to encourage and assist students to continue their education after high school. Individual integrity and self-dependence are stressed constantly

in Beta Club activities. Participation in Beta Club work on the part of the student tends to make for efficient, honest and fearless leadership ability. Education is equal by cooperation and by coordination of student's efforts. In affording a means for the outstanding minds of a school to get together periodically and pursue a common interest, the Beta Club gives a decided impetus to mental effort.

Senior High Student Council Highlights

The Student Council composed of four members from each class, is the governing organization of the student body. Working closely with the faculty, it plans its annual project: the freshman dance, the Christmas dance, both of which were huge successes this year, and the courtesy

dance. A student handbook, a working plan of the school, was organized this year for the students. The major aim of the Student Council is to acquire a good student and teacher relationship. A teachers' appreciation week is also sponsored by the Student Council.

Bob,

This is the hardest one of the year to write. Knowing that a good and close friend as you, is leaving soon, I have barely known you for two years and I still don't feel that I know you well enough! I have enjoyed the too few dates we have shared together. The classes we have shared shall never be exceeded as the wonderful friendship. Let that! I don't think I remembered that word, did you? I shall never forget those kids I got in the seat in World History. I always consider you one of the most outstanding in leadership that our class has ever known. I don't feel that everyone in our class knows quite well enough I think I do! Although we have had too many harsh

Chemistry has really been fun this year. Along with all of our band trips and everything. This has really been a fun year and would have been even better if schoolwork wouldn't have been included! We're really going to miss you in Physics if we have another Mr. O! When you go to Parsons don't drag everybody's moral down there like you did here! That's not really true. Yours have gotten better. Kings have gotten worse! Don't ever forget the Big O. You probably won't since this year has been unforgettable!

Big O member no. 5 and future Miss America in 1968 - Bonnie Dunn

P.S. - Feliz Cumpleaños! (I can't remember Good Luck!) We'll miss you in Español! And, too! We're going to have a lousy trumpet section next year. Be sure and come back and hear us again. We're really going to miss you loads!

Bob Lots of luck to a great big O member. Stay as nice as you are. I hope to see a lot of you this summer. I am sure you will never forget chemistry even if you try. I hope you had fun at the party Sat. night. We are going to miss you in church, school and sports. Lots of luck in your new school.

From that great guy you like so well and future U.S. President No 4 (Jim)

Good Luck in Parsons, Suddy! Union High will miss you. The Big O will miss you and will miss you.

P.S. No se' mucho - No 2 (Jan) español No se' aun "have fun" pero "have fun"

To 1 (Bob)

First in war, first in peace first in the hearts of your union. Best of luck in Parsons, but I really don't think that you'll need it. Don't forget us after Aug. 1 when you get your license, cause you know you're welcome any time you want to come back. Always remember the Big O, your corrupters, and all the wild things we've done together.

Jim Dunn's a future Miss America I guess. I'm Miss Universe (he, he)

Sarah P.S. Don't forget to write to us!

[illegible]

I guess you & I are sort of in the same boat. Leaving UHS hurts deep down, doesn't it? Bob you are a real great guy who will go far in life. Wherever you are going next year at UConn. Sure you'll be a hit just like you were in UConn. I'll always remember you for your friendliness & sincere effort to help anyone who needs it with a wonderful smile. Luck forever to a great guy. Love,

Cherie Eickman

Dear Bob,

Through my acquaintance with Dave
I've succeed in knowing you better than
the years before. You're one swell
person, I shall never forget. You're a
wonderful personality that grows on
people. I'm sure that you won't have
any trouble finding new friends. You and
your family have been so very wonderful
to me. I have had many times of fun
with you all that I shall cherish forever.
I hope when you leave; that you'll remember
me as someone who thinks the world
of you. Write me and tell me how
things are in Parsons when you get
settled down. There's not much more
to say, but the best wishes
to you always.

Love
